

# Horton Hears a Who!

## Week One -2/7/21

### The Original Story

I thought we would introduce the original story of “Horton Hears a Who” to those who have not yet read it. If you have the book at home, feel free to read it with your child. If not, you can watch a video of it being read [here](#).

As you read the book or watch the book being read, think about how you would feel if you were Horton. Why would you feel you needed to help the Whos? Would you help them in the same way Horton did? And lastly, how would you treat the people who didn't believe you?

## **This Week's Craft**

This week's craft is self-explanatory and one you can do on your own. Unwrap the bracelet packet and create your Horton bracelet how you would like.

Have a great week and remember, “a persons a person no matter how small!!” See you next week!
