Now the Real Work Begins...

I have heard many a preacher or theologian say that the church is at its best when it is countercultural. Well, in a time when the print media is going the way of Good Friday, I am excited to say that Second Thoughts is experiencing its resurrection! So welcome back to our monthly newsletter!

Going forward, we hope this is a place where you can read about the story of Second Presbyterian Church and all that we have to offer. At our core, we want to be the people that live out the missional call you see in our bulletins and on our website: Sharing the Grace of God to One Another and the World Around us.

Throughout many of the Sundays in January and February that was our focus. From January 18 through February 15 we examined each of the 5 Strategic Pathways that make up our long-range plan as we look toward our 200th anniversary in 2030. If you missed some or all of these services, I encourage you to check them out on our YouTube channel (<https://www.youtube.com/@2ndpreslou491/streams>). During this series, what we found through the prism of each Pathway - worship, fellowship, communication, outreach, and stewardship - continually invited us to imagine what it means to live out our missional call, both to one another and to the world around us.

You, no matter how involved you are in the church or not, are a part of that story, which means you are a part of that missional call. You are reading this because you are a part of this community and so as we continue to explore these pathways I encourage you to help us envision how we will walk these pathways and how we will carry out our call.

And this Easter Season is the perfect time for that work. For Easter is about the renewal of life, or, in this case, our missional callings.

So go back and look at what we are dreaming about through these Pathways (you can find the Pathways Brochure on our website) and then wonder what wisdom God is placing on your heart to help us make those dreams a reality. For the Easter dawn can reveal a well-worn pathway that like this newsletter, will help us see resurrectional newness into 2030 and beyond.

Grace and Peace,
Barrett

Children Ministry

I remember nearly every Derby Day from about 5 years old. Derby Day was a special day when I was a child, but not because of the horses or the excitement of the race or the Mint Juleps or the money you could win by placing a bet. In my world, Derby Day was the day when the yard became colorful, and the patio became a place suitable to sit and drink iced tea. Derby Day was flower planting day! I would join my Pappaw each year on this day and plant begonias, geraniums, petunias (my favorite), and snow flowers. I later learned the correct name for these delicate flowers that multiplied quickly into a sea of white was Sweet Alyssum, but I still prefer snow flower.

Such activities dubbed “Grandma Hobbies” in recent news and TikToks, are making a comeback! It seems society has learned that hobbies such as gardening, baking, working puzzles, knitting, crocheting, and sewing have benefits that help reduce anxiety, promote calm, increase patience, and offer an alternative to screentime or mindless scrolling. With help from the Busy Needles spot group, kiddos from 2PK had a lesson in how to crochet. After the creation of an 8-inch square, they will reconvene to construct a stuffed bunny just in time for Easter. Thanks to Lindsay Cook for heading up this event. We look forward to future creations!

Youth Ministry

Pancakes before Ash Wednesday

A huge thank you to the youth and parents (as well as leaders Todd and Toby) for flipping pancakes before the Ash Wednesday service. The crew cooked up a few hundred pancakes plus a whole bunch of bacon to feed the 75+ church members who gathered to begin their Lenten journeys together.

Open Gym Wraps Up Another Season

On Tuesday, March 3rd, the youth program celebrated the final Open Gym session of the season with a “Parent Night” event. Parents of the youth participants were invited to team up against the youth team to play Floor Hockey, Battle Ball, Razzle Dazzle, and Kickball. A special part of the evening included recognizing Todd Lyles for his 20 years of leading Open Gym. Also, a special shoutout to Charlie, Lillian, and William for having perfect attendance this season!

Youth Sunday

On Sunday, March 8th, nineteen youth helped lead the 11 a.m. worship service serving as ushers, greeters, liturgists, and musicians as well as helping with the processional. The service included the baptism of tenth grader William Dierking.

Upcoming:

April 26th (12:15 p.m.) — Shareholders Lunch

May 17th (9:45 a.m.) — End-of-Year Brunch

June 14th – 20th — High School Montreat Trip

July 15th – 19th — Middle School Montreat

Weekday School

On March 6th, the Weekday School welcomed a very special group of visitors for Grandparents Day. With more than 160 grandparents and grandfriends in the building, the halls and classrooms were full of excitement. Grandparents spent the morning alongside their grandchildren, joining in classroom activities and creating art and special memories together. It was a meaningful opportunity for children to share a piece of their school day with the people who love them so much. The morning concluded with a special chapel time led by Mrs. Lorie and Pastor Abernethy, where grandparents and children gathered in the sanctuary to sing and reflect together.

Looking ahead, we are excited for a few favorite spring traditions. On March 27th, we will host Mingling With A Mission at Gravely Brewing. This annual fundraiser is a relaxed and joyful evening for parents to reconnect, build community, and support the Weekday School.

Later in April, we will celebrate one of our most beloved events. On April 29th, the Weekday School will hold its annual Derby Parade. Each classroom creates artistic interpretations of classic Kentucky Derby traditions, from elaborate hats and hot air balloons to steamboats and rose garlands. The celebration concludes with the Kindergarten Derby, when our kindergarten students ride their horses in a spirited finish to the parade.

Spring is a joyful season at the Weekday School, filled with creativity, community, and traditions that bring our families together.

Led by Dr. Marty Soards, Retired Professor of New Testament Studies at Louisville Seminary, the class meets on Sunday mornings at 9:45 a.m. in the Parlor and via Zoom. We are going to be studying Paul's letter to the churches in Galatia. That's usually called Galatians. It's a very hard letter in many ways. It's theologically profound, and at the same time it has suffered from misuse among all kinds of people, which would include antisemites, and the people who have certain theological perspectives that they would like to inflict upon people who are more centrist.

Book Notes

The book for **May 6th** will be PLAYGROUND A NOVEL by Richard Powers, author of THE OVERSTORY (we read this) and BEWILDERMENT.

Review “A characterful, capacious and engaging novel, distilling subjects as diverse as oceanography, climate change, the legacies of colonialism and the arc of a life-long friendship into an exhilaratingly entangled narrative in which Powers’ unparalleled gifts for revealing the magic and mystery of the natural world are on full display.” — The 2024 Booker Prize Judges

The book for **June 3rd** will be THE POSTCARD A NOVEL by Anne Berest. A BEST BOOK OF THE YEAR: - TIME Magazine • NPR • Library Journal • The Globe and Mail • Lilith • Forward Magazine • Toronto Star • The New Yorker

Winner of the Choix Goncourt Prize, Anne Berest’s The Postcard is a vivid portrait of twentieth-century Parisian intellectual and artistic life, an enthralling investigation into family secrets, and poignant tale of a Jewish family devastated by the Holocaust and partly restored through the power of storytelling.

January, 2003. Together with the usual holiday cards, an anonymous postcard is delivered to the Berest family home. On the front, a photo of the Opéra Garnier in Paris. On the back, the names of Anne Berest’s maternal greatgrandparents, Ephraïm and Emma, and their children, Noémie and Jacques—all killed at Auschwitz.

Fifteen years after the postcard is delivered, Anne, the heroine of this novel, is moved to discover who sent it and why. Aided by her chain-smoking mother, family members, friends, associates, a private detective, a graphologist, and many others, she embarks on a journey to discover the fate of the Rabinovitch family: their flight from Russia following the revolution, their journey to Latvia, Palestine, and Paris. What emerges is a moving saga that shatters long-held certainties about Anne’s family, her country, and herself.

Happy Reading!

Care for the Caregiver

Are you helping a loved one with impairments related to aging, disability, or a mental disorder? Are you taking care of someone who has a chronic illness, managing medications, or taking care of household chores, meals, and healthcare for someone who cannot perform these tasks alone? If you answered yes to any of these, then you are a caregiver.

Caregivers hold it all together or have the overwhelming feeling that they must hold it together because no one else can. Caring for your loved one can lead to isolation, depression, chronic health issues, and poor quality of life. The Deacons here at Second see how important it is to support its members who hold the role of caregiver.

The caregiver support group meets on the second Monday of each month at 4:00 p.m. these remote monthly Zoom meetings provide resources, education, guest speakers, and a safe space for support and assistance in finding solutions to the challenges of caregiving. If you are interested in joining or learning more, please contact the office or reach out to Elizabeth Clay, eclay@2ndpreslou.org, or Cathy Hollander.
